**5. Unfinished & New Business**

5.1 Adoption of the 2014 Business Plan  
Municipal Petra Frederick reviewed the draft 2014 Business Plan and deliverables for the  
Advisory Committee on Accessibility Issues. Ms. Frederick will explore the options of  
including accessibility questions in the 2014 random telephone survey and Citizen  
Satisfaction Survey.

Petra Frederick further explained the line item “Examine and explore the definition of  
Accessibility (physical and/or financial)” within the business plan, which has been  
adjusted to be a review of the mandate of this committee to better determine a new  
Terms of Reference.

Please note Councillor Al Hogarth joined the meeting at 5:07 pm.

Councillor Al Hogarth brought the committee’s attention to the Bicycle Advisory  
Committee splitting as a result of the new Pitt Meadows Active Transportation  
Committee. This means that members from Pitt Meadows will no longer be part of the  
Bicycle Advisory Committee. Councillor Hogarth was concerned this may affect Pitt  
Meadows’ future involvement with the Municipal Advisory Committee on Accessibility  
Issues as well.

Please note Councillor Bruce Bell joined the meeting at 5:14 pm.

Councillor Bruce Bell agreed to forward any concerns regarding Pitt Meadows back to  
Pitt Meadows staff.

Committee members suggested the survey should happen first, followed by the terms  
of reference and then the marketing/promotional opportunities.

A spelling error was pointed out - “curt letdowns” should be “curb letdowns”.

Councillor Al Hogarth suggested looking at employment funding for some of the items  
on the business plan. Petra Frederick will explore this idea

R13-025 It was moved and seconded.

**That the draft business plan for the Municipal Advisory Committee on Accessibility Issues be adopted as amended.**

5.2 Final approval of MACAI members business cards and rack card (promotional material)

Petra Frederick wanted to make the Committee aware she is moving ahead with the printing of the MACAI business cards. Committee members should expect to receive approximately 25 cards which can be handed out to the public to promote awareness of the Municipal Advisory Committee on Accessibility Issues.

Petra Frederick asked the Committee's interest in pursuing the rack card when a business plan item is re-defining their Terms of Reference. Committee members agreed to have Ms. Frederick explore the option of doing a flyer similar to a SPARK handout seen by Committee members.

5.3 New member recruitment

Petra Frederick informed the Committee that MACAI has numerous vacancies at this time. Committee members agreed an ad should be created for members-at-large vacancies, and then a letter should go out to all service providers within the communities of Maple Ridge and Pitt Meadows asking them to post within their respected offices so their clients can be informed of the vacancies. November 1<sup>st</sup> is Ms. Frederick's target to have the ad and letters out, with interviews beginning the first week of January.

5.4 Brainstorm 2014 delegation invitations

Petra Frederick asked Committee's appetite to have monthly delegations present at future meetings. Committee members agreed this was a beneficial idea. Ms. Petra will look into scheduling the upcoming delegations from a list of suggestions forwarded by the Committee.
