INFORMED: Tax Time

Using Online Services Can Help You Avoid Any Line-Up

You should have received your 2017 Property Tax Notice in the mail. From the back of the envelope to the special insert inside, we are trying to give you tips on how to avoid waiting in line to claim your Home Owner Grant and pay your property taxes.

You can claim your Home Owner Grant online at mapleridge.ca by clicking on the Online Services link. Select the 'Home Owner Grant Application' option and follow the instructions to claim online. You can also set up a 'My Maple Ridge' account which gives you 24/7 access to your tax information and has the option for you to sign up for paperless tax notification as well as track your payment history. It's just one way to save time. Once you claim your Home Owner Grant you can pay the balance owing at most financial institutions either in person or by using online or telephone banking.

You can drop off your Home Owner Grant and cheque at the secure drop box located at the west entrance of City Hall near the Economic Development Office as another way to avoid lining up.

The box is cleared daily and will be emptied at midnight on Tuesday, July 4, 2017.

For those of you who prefer to make payments in person, our office is open late on Thursday evenings until 8:00 pm throughout the month of June. Take a few moments to read through the materials that came with your tax notice and learn how you can avoid any line-ups.

The illustration for this article is the cover of the 2016 Citizens Report. This publication can be found online at mapleridge.ca or in the lobby of City Hall. It's a great way to learn how your tax dollars are invested in your community.

The seventh annual Food Garden Contest Call for Nominations is underway. You can nominate a neighbour or you can nominate yourself. There are two categories - Front Yard and Back Yard (and sub-categories based on the size of your garden).
