Geotechnical Investigation Report

Civic Address: _____

Legal Description: _____

Land Title Office (LTO) File #: _____

(This number is found at the top of the page on the registered covenant documents.)

Geotechnical Report Dated: _____

(This is the report attached to the covenant)

We hereby acknowledge that we are aware and have read and understand the requirements of the Geotechnical Investigation Report Registered 219 Covenant. Based on our review of the report and the site we have undertaken our own geotechnical investigation and have appended our report to this application which will govern the design of this project. Should the City be satisfied with this report please contact the undersigned so we may commence the necessary legal work to have this covenant registered on title.
