

CITY OF MAPLE RIDGE

PROJECT # RFQ-OP17-08 PREQUALIFICATION FOR BRIDGE AND MARINE STRUCTURE INSPECTION SERVICES

The City of Maple is establishing a Select List of pre-qualified Engineering Consulting Firms who may be invited to participate in a subsequent Request for Proposal for the provision of bridge and marine structure inspection services. Applicants who have been pre-qualified will be invited by a Select Invitation to compete for this contract.

This Request for Qualifications (RFQ) is intended to invite structural consulting engineering teams to submit a Statement of Qualifications for inspection and structural remediation design services for the City of Maple Ridge's annual structure review program, with the option of extending the services into the future for up to five (5) one year periods. The scope of services consists of:

- Inspect City owned structures including bridges, and marine structure;
- Provide condition assessment report and priority summary;
- Review previous repair status and develop maintenance program for the next five (5) years;
- Suggest remediation strategies, if required; and
- Develop remediation design and construction support during remediation.

If you are interested in this opportunity, the document may be downloaded from BC Bid at www.bcbid.gov.bc.ca.
