# LION'S PARK OPEN HOUSE

SPORTS COURT RENOVATION

## OPEN HOUSE - SEPTEMBER 7, 2017

### WELCOME

In April, 2015, Maple Ridge Parks, Recreation & Culture hosted a public open house to gather neighbourhood input on renovation ideas for the sports court at Lion's Park. Both Glenwood Elementary and Laity View Elementary kids were also asked for their input.

The most desired sports court replacement options included a junior bike track, a junior scooter track and combination basketball and hockey court.

With the results of this past consultation we have prepared a concept plan that proposes to renovate the existing asphalt sport court into a junior bike and scooter track with a half basketball court.

Please review the presentation boards, ask any questions of staff and fill out a comment form.

Thank you for attending the Lion's Park Open House.
