

# LET'S GET FARMING

**APRIL 4<sup>TH</sup> 2019**

In BC, our food supply is vulnerable to climate, economic and political events. Join us in understanding the challenges and solutions to achieving food self-reliance as well as the importance of preserving farmland for future generations.

**PRESENTERS**

**Dr. Kent Mullinix**

Director, Institute for Sustainable Food Systems at KPU

**Kim Grout**

CEO, Agricultural Land Commission

**Chris Zabek**

Agrologist, Ministry of Agriculture

**6:30PM–9:00PM**

Presentations begin  
at 7:00PM
