

YOUTH STORY

MEET JAKE

"Three words I'd use to describe myself would be: Kind, Trustworthy, Independent.

My favorite thing to do at the Greg Moore Youth Centre is play fireball (Youth Centre game) and to build relationships with the youth workers.

I don't have a favourite memory from time spent at GMYC because every night I'm here I always have a great memory and story to tell.

I think bringing a pride club to the GMYC would create a positive impact on youth.

My advice to adults is to always listen to your kids even if it's something you don't want to hear.

My dream is to become a Child and Youth Worker and someday be able to work at the GMYC."

**Fireball is a table game created by staff and youth at the GMYC*
