The heritage value of these sites is protected through a Municipal Heritage Designation. Alterations to these properties are not permitted without first going through a Heritage Alteration Permit (HAP) Process (See Heritage Procedures Bylaw No. 6951-2012). Minor maintenance and repairs may be permitted without a HAP – see the specific designation bylaw above or contact planning staff for more information. Also, see Heritage Site Maintenance Standards Bylaw 6710-2009 for more information on maintenance of heritage buildings.
