DATE: January 27, 2017 (5 pages total)

RE: 2017 RESOLUTIONS - ANNUAL GENERAL MEETING

Please include the following information on your next meeting agenda.

The LMLGA Conference and AGM will be held on May 10 – 12, 2017 in Harrison Hot Springs and we are **now accepting resolutions from the membership**. The deadline for receipt of your resolutions is **Friday, March 24, 2017**.

We encourage LMLGA members to submit their resolutions to the LMLGA for debate, rather than submitting them to UBCM. This is also the process preferred by UBCM. LMLGA-endorsed resolutions on province-wide issues are submitted *automatically* to UBCM for consideration at the UBCM Convention. Resolutions received from the LMLGA, and supported by our membership as a whole, tend to hold more weight than those that are submitted by individual communities.

DEADLINE FOR RESOLUTIONS

All resolutions must be received in the LMLGA office by: **FRIDAY, MARCH 24, 2017**.

SUBMISSION REQUIREMENTS

Resolutions submitted to the LMLGA for consideration shall be submitted as follows:

- one copy of the resolution via email to Jamee Justason at jjustason@ubcm.ca with subject header "Resolution-title of your resolution" or, in the case of multiple resolutions, subject header "Resolution-X number enclosed";
- include a cover letter as an attachment outlining how many resolutions you have sent and the title of each resolution;
- each resolution should not contain more than two "whereas" clauses; and
- background documentation must accompany each resolution submitted, when available, and should be labeled "Background-Name of Resolution".

You WILL receive an email notification that your resolution has been received within one week of receipt. If you do not receive an email confirmation, please call Jamee Justason at 604-270-8226, Ext. 100.

Sponsors should be prepared to introduce their resolutions on the Convention floor.

LATE RESOLUTIONS

- a. Resolutions submitted following the expiry of the regular deadline (March 24) shall be considered "Late Resolutions" and must comply with all other submission requirements. Late resolutions must be received by LMLGA no later than 12 noon on Monday, May 8, 2017.
- b. Late resolutions shall be considered for discussion after all resolutions printed in the Resolutions Book have been debated.
- c. Late resolutions are deemed to be appropriate for discussion only if the topic is such that it has arisen since or was not known prior to the regular deadline date for submission of resolutions.
- d. In the event that a late resolution is recommended to be admitted for discussion LMLGA shall produce sufficient copies for distribution at the Convention.

SUBMIT RESOLUTIONS TO:

**LMLGA
60-10551 Shellbridge Way
Richmond, BC V6X 2W9**

Phone: (604) 270-8226 ext. 100

Fax: (604) 270-9116

Email: jjustason@ubcm.ca

THE RESOLUTIONS PROCESS

1. Members submit their resolutions to Area Association for debate.
2. The Area Association submits the endorsed resolutions of provincial interest to UBCM.
3. The UBCM Resolution Committee reviews the resolutions submitted for consideration at the UBCM Convention.
4. Endorsed resolutions at the UBCM Convention are conveyed to the appropriate order of government, or relevant organization, for responses.
5. Once the responses have been conveyed to the UBCM they are forwarded to the sponsor for their review.

GUIDELINES FOR PREPARING RESOLUTIONS

The Construction of a Resolution:

All resolutions contain a preamble and enactment clause. The preamble describes *the issue* and the enactment clause outlines *the action being requested*. A resolution should answer the following three questions:

- What is the problem?
- What is causing the problem?
- What is the best way to solve the problem?

Preamble:

The preamble commences with a recital, or "WHEREAS", clause. This is a concise sentence about the nature of the problem or the reason for the request. It should clearly and briefly outline the reasons for the resolution.

The preamble should contain no more than two "WHEREAS" clauses. If explaining the problem requires more than two "WHEREAS" clauses, then provide supporting documents to describe the problem more fully. Do not add extra clauses.

Enactment Clause:

The enactment clause begins with the words "THEREFORE BE IT RESOLVED". It must convey the resolution's intent, and should propose a specific action by LMLGA.

Keep the enactment clause as short as possible, and clearly describe the action being requested. The wording should leave no doubt about the proposed action.

How to Draft a Resolution:

1. Address one specific subject in the text of the resolution.

Since your community seeks to influence attitudes and inspire action, limit the scope of a resolution to one specific subject or issue. Delegates will not support a resolution if the issues it addresses are too complex for them to understand quickly.

2. Use simple, action-oriented language and avoid ambiguous terms.

Explain the background briefly and state the desired action clearly. Delegates can then consider the resolution without having to struggle with complicated text or vague concepts.

3. Provide factual background information.

Even a carefully constructed resolution may not clearly indicate the problem or the action being requested. Where possible, provide factual background information to ensure that the "intent" of the resolution is understood.

Two types of background information help to clarify the "intent" of a resolution:

i Supplementary Memo:

A brief, one-page memo from the author, that outlines the background that led to the presentation and adoption of the resolution by the local government.

ii Council/Board Report:

A report on the subject matter, presented to council or board in conjunction with the resolution. If it is not possible to send the entire report, then extract the essential background information and submit it with the resolution.

Resolutions submitted without adequate background information will not be considered until the sponsor has been consulted and has provided documentation outlining the intent of the resolution.

4. Construct a brief, descriptive title.

A title assists to identify the intent of the resolution and eliminates the possibility of misinterpretation. It is usually drawn from the "enactment clause" of the resolution.

For ease of printing in the Annual Report and Resolutions Book and for clarity of intent, a title should be no more than three or four words.

5. Check legislative references for accuracy.

Where necessary, identify:

- the correct jurisdictional responsibility (e.g., ministry or department within the provincial or federal government)
- the correct legislation, including the name of the Act

6. Focus on issues that are relevant to all LMLGA members.

The issue identified in the resolution should be relevant to other local governments in the LMLGA. This will support proper debate on the issue and assist LMLGA or UBCM to represent your concern effectively to the provincial or federal government on behalf of all local governments.

7. Avoid repeat resolutions.

In the past, resolutions have come back year after year on the same topic. Elected officials and staff are encouraged to search the UBCM Resolutions database available through the website at www.ubcm.ca. Click on the “Resolutions and Policy” tab at the top of the page. It will be possible to locate any resolutions on the same topic that have been considered in the past and what the response has been. Endorsed resolutions are part of the advocacy agenda and duplicates are not required.

8. Ensure that your own local government’s process for consideration, endorsement, and conveyance of resolutions to LMLGA/UBCM is followed.

UBCM GOLD STAR AND HONOURABLE MENTION RESOLUTIONS

The Gold Star and Honourable Mention resolution recognition initiative was launched at the 2003 Convention, and is intended to encourage excellence in resolutions drafting and to assist UBCM members in refining their resolutions in preparation for submission to the annual UBCM Convention.

To be awarded Gold Star or Honourable Mention recognition, a resolution must meet the standards of excellence established in the following Gold Star Resolutions Criteria, which are based on the resolution:

1. Resolution must be properly titled.
2. Resolution must employ clear, simple language.
3. Resolution must clearly identify problem, reason and solution.
4. Resolution must have two or fewer recital (WHEREAS) clauses.
5. Resolution must have a short, clear, stand-alone enactment (THEREFORE) clause.
6. Resolution must focus on a single subject, must be of local government concern province-wide and must address an issue that constitutes new policy for UBCM.
7. Resolution must include appropriate references to policy, legislation and regulation.
8. Resolution must be submitted to the relevant Area Association prior to UBCM Convention.

If you have any questions, please contact Jamee Justason by email at jjustason@ubcm.ca or by calling (604) 270-8226 ext. 100.
