Maple Ridge Seeks Injunction for Illegal Cannabis Operation

Maple Ridge, BC: The City of Maple Ridge has instructed its lawyers to commence injunction proceedings to shut down an illegal cannabis operation.

Recently a BC Supreme Court Judge ruled that a Weeds Glass and Gifts store in the City of Abbotsford violated a City Bylaw by not securing a business licence.

Maple Ridge is pursuing an injunction in the BC Supreme Court to shut down a similar Weeds Glass and Gifts store operation in Maple Ridge. The Weeds operation does not have a business licence to operate in the City and operates in contravention of Federal legislation.
