

KARINA LEBLANC FIELD

APRIL 2018 - COMPLETION

The contractor achieved "substantial performance" in early April, a major milestone for completion on this project. Soon after soccer practices and school classes were taking place on the field with community sports allocation beginning on the weekend. A grand opening event will take place in the near future once a date is confirmed.

OCTOBER 2017 - CONSTRUCTION UPDATE

The contractor installed the last manholes for the storm water system and prepared the field subgrade. Erosion and sediment controls were increased on the site due to the recent heavy rainfall.

AUGUST 2017 - KARINA LEBLANC FIELD GROUNDBREAKING

On Monday, August 14, 2017 a groundbreaking event was held with representatives of the Government of Canada, City of Maple Ridge and School District No. 42 for this new synthetic field. This field is being named for former Maple Ridge Secondary alumni, Olympic Bronze Medalist and UNICEF ambassador Karina LeBlanc.

JULY 2017 - DESIGN DEVELOPMENT

Detailed design and project tendering was completed through summer.

JUNE 2017 - OPEN HOUSE

Maple Ridge Parks, Recreation & Culture hosted an open house on June 8, 2017 to present the proposed Merkley Park Synthetic Field concept plans.
