

YOUTH STORY

MEET RYAN

"Three words I'd use to describe myself would be: strong, independent, and cool.

My favourite thing to do at the Greg Moore Youth Centre is play fireball* with my friends and staff.

My advice for all adults in Maple Ridge is don't paint all youth with the same brush.

My big dreams for the future is to become a professional wrestler."

**Fireball is a pool table game created by staff and youth at the GMYC,*
