**SUBJECT: Council Workplan Matrix – March 9, 2021**

---

**EXECUTIVE SUMMARY:**

Council last adopted an update to the Workplan Matrix on July 28, 2020. Following direction provided during the business and financial planning process, the Council Workplan Matrix has been updated to reflect progress on key items and provide a schedule for forthcoming projects. The Matrix does not represent an exhaustive list of the work undertaken by departments, but a snapshot of key priority projects identified by Council.

**RECOMMENDATION:**

**That the Council Workplan Matrix – March 9, 2021 be endorsed.**

**DISCUSSION:**

**a) Background Context:**

In January 2019, Council developed a framework that captured their strategic direction for the next four years. Based on this framework, staff prepared a detailed matrix that listed specific workplan items. Following feedback from Council, at the April 9, 2019 Council Meeting, the 'City of Maple Ridge Strategic Plan 2019-2022' and 'Council Workplan Matrix - March 19, 2019', were adopted.

At the October 1, 2019 Council Meeting, Council reaffirmed the 'City of Maple Ridge Strategic Plan 2019-2022' and approved the revised 'Council Workplan Matrix - September 17, 2019', which established target dates for the following few months.

At its Workshop of February 3, 2020, Council conducted a facilitated check-in of the 2019-2022 Strategic Plan where the strategic priorities were reaffirmed and directions for 2020 were identified. On March 24, 2020, Council adopted a revised matrix that reflected these decisions. Additional items were added during a mid-year check-in on July 28, 2020.

Since that time, Council has undertaken another business and financial planning process that highlighted the work accomplished to date and identified new priority deliverables, including:

<b>Report Title</b>	<b>Date</b>
Thornhill Background Report	Mar -30
Energy Step Code	Apr-27
Town Centre Parking Strategy	Oct-12

The attached Council Workplan Matrix is not an exhaustive list of items that Council will address over the course of the final months of 2021. Work items included in the Matrix relate directly to Council's Strategic Plan and priorities.

**CONCLUSION:**

The attached Council Workplan Matrix – March 9, 2021 captures when strategically aligned work items will be presented to Council through the end of 2021.
