

WESTVIEW PARK PLAYGROUND REPLACEMENT

JULY 2021 – NEW PLAYGROUND INSTALLATION COMPLETE

The installation of the new playground at Westview Park is now complete. This playground features a transfer platform that leads to multiple size slides and several different climbers like the “Erratic Climber” and “Giant Wave Climber”. Check out the “Ripple Pass” rope bridge, the therapeutic rings and turning bar. We also added a “Tot’s Toddle Rocker” and “Gt Stock car” to provide additional play for toddlers.

A vehicle barrier fence will also be installed in front of the playground along 210 Street to provide greater protection and separation from the road to the play area.

JUNE 2021 – CONSTRUCTION

The replacement of the playground at Westview Park took place.

MAY 2021 – NEW PLAYGROUND COMING

A rendering of the playground was released to the public.

JANUARY 2021 – PUBLIC COMMENT PERIOD

PROJECT LOCATION:

20950 Wicklund Ave, Maple Ridge, BC
