

Concept Plan

Parks, Recreation and Culture is expanding the off-leash dog area at Maple Ridge Park in response to the feedback received through the City's 2020 Dog Park Survey. After releasing a preliminary plan to the community for comments, this concept plan was developed to incorporate the top requested improvements for this dog park.

Improve Water Access for Dogs

Plant Trees to Increase Shade

Expand Dog Off-Leash Area

Dog Agility Features

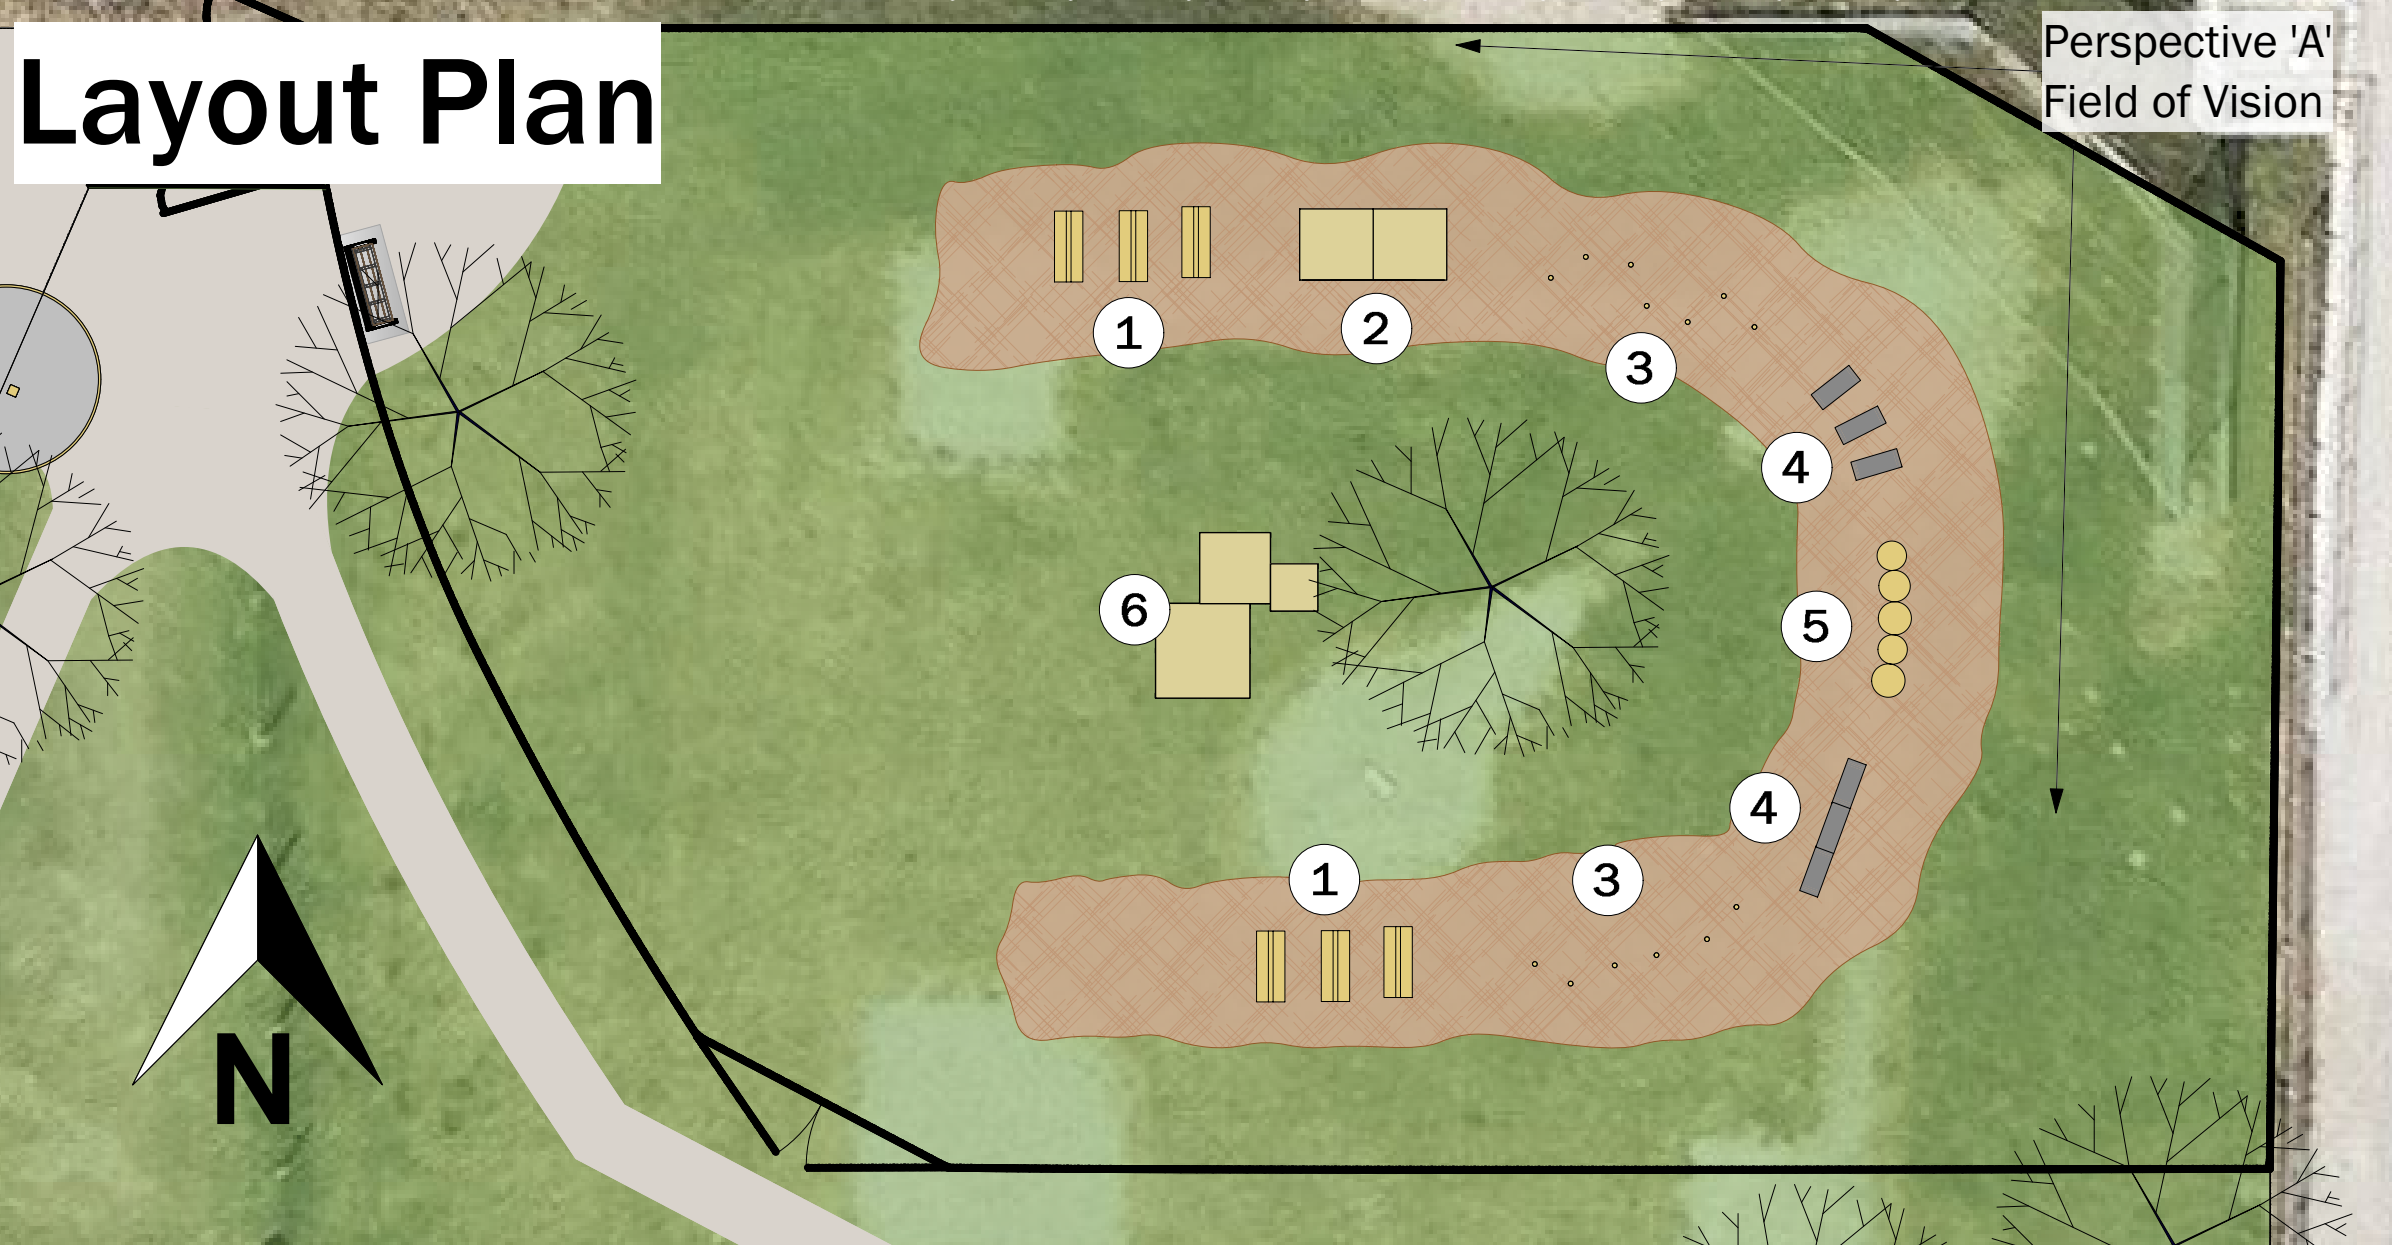

Additional Seating

Additional Parking Spots

Dog Agility Course

There are many benefits of teaching dogs how to master each obstacle encountered on an agility course. These include:

- Increased fitness
- Improved concentration
- Better overall obedience
- Improves owner/dog bonding
