

COUNCIL 2021 UPDATE

2021 Strategic Priority Highlights

In December of 2021 members of Council were provided with a briefing on the accomplishments of the organization as part of the 2022- 2026 Financial Planning presentations. These pages summarize some of the work highlights and metrics that track the progress on Council's Strategic Priorities for the City of Maple Ridge.

For more information on our Strategic Priorities please go to mapleridge.ca/2369 on the City website where you can review our Strategic Plan and the most up-to-date metrics on our work. On behalf of Council, I would like to thank citizens for their continued engagement as we all work together to make Maple Ridge the best little City in BC.

Mayor Mike Morden
