HAMMOND OUTDOOR POOL

DROP-IN & AQUA FITNESS

TEMPORARY SCHEDULE | June 29 - July 3, 2022

Last week, one of the pools in the Maple Ridge Leisure Centre's aquatic facility was closed when tiny, metal wires were discovered in the water. The maintenance team suspected that this might be residue from cables connected to the decommissioned overhead speaker system; as a result, the pool was drained and given a thorough cleaning and magnetic sweeps to remove any remaining particles.

On Monday, staff discovered additional metal wires in the lane pool, leisure pool and hot tub; out of an abundance of caution for our staff and customers, the **decision was made to close all indoor pools until the source of the debris is confirmed and remedied.**

Hammond Outdoor Pool continues to be available with a temporary schedule (see right) that aims to provide as many swim opportunities to the community as possible while accommodating other impacted groups (like Swim Clubs, etc). As soon as we are able, we will replace this schedule with more details about the summer months as soon as possible.

Updates on the current issues at the Maple Ridge Leisure Centre aquatic facility will be provided on the City's Facebook Page ([facebook.com/yourmapleridge](https://www.facebook.com/yourmapleridge)) and posted to the indoor pool page ([mapleridge.ca/1452](https://www.mapleridge.ca/1452)). **Customers who are impacted by missed lessons or paid-for programming will be reimbursed.** We will be working with our customers to reschedule sessions that are impacted by the closure and thank the community for their patience and understanding.

You can reach out to our team at 604-467-7322 or by email at prc@mapleridge.ca.

Thank you for your patience and understanding!
