HELP SHAPE OUR CITY'S **FUTURE**

Maple Ridge will cross the threshold of 100,000 citizens within a few years and could reach a population of 150,000 as soon as 2050.

The City of Maple Ridge is developing a new Parks, Recreation & Culture Master Plan to manage the impact that this growth will have on outdoor spaces, recreation and arts/culture programs, services and infrastructure.

In May, households within Maple Ridge were mailed a postcard with a unique survey link. If you missed this, there is still time to provide your feedback!
