

JORDAN MCILDOON LEGACY BIKE SKILLS PARK

PROJECT LOCATION

Blaney Hamlet Park - 13712 230A Street (east of the playground)

BIKE SKILLS DESIGN & COMMENT FORM

In 2020, the Maple Ridge Parks, Recreation & Culture department sought input through the Silver Valley Gathering Place public engagement process on a future bike skills feature, proposed to be donated to the City of Maple Ridge. The feedback received indicated that there was a high degree of support for this type of amenity. Since that time, a concept plan and layout was developed and implemented by a bike park designer.

APRIL 2022 - WHAT WE HEARD

As part of our community consultation process we invited feedback on the bike skills area plans from April 12- 25, 2022. We received 110 comment form submissions that confirmed a high degree of support for the plans as they were shown.

MAY 2022 - CONSTRUCTION STARTING

Construction started on this exciting bike skills area at Blaney Hamlet Park. Over the first few weeks earth was moved around the site to form the jumps, start hill and rollers. This was followed by the installation of wood features and fencing.

AUGUST 2022 - OPEN

The bike skills park opened to the public. It was officially named Jordan McIlloodon Legacy Bike Park, which was commemorated during the grand opening event at the park, held on August 19, 2022. Thank you to Angela and Alan McIlloodon for donating this park as well as to all the contributing donors that helped make this park a reality.
