

Application for Lawn Watering Permit

Application Information

Name: _____

Property Address: _____ Postal Code: _____

Phone: _____ Email: _____

Date of New Lawn Installation or Nematode application: _____

Reason for Exemption (attach receipt or invoice for new lawn or nematodes to application)

☐ New lawn or landscaping

☐ Nematode application

Conditions of Permit:

The permit and its terms and conditions are governed by the Maple Ridge Drinking Water Conservation Plan Amending Bylaw No. 7831-2022.

The permit shall be affixed to a post facing the street serving the premises, beside the principal driveway so that it is visible from the street.

The permit is issued specifically for new lawns or for nematode application to control the spread of European Chafer Beetle.

The permitted watering will be done during the hours stipulated on the permit.

The fee paid is non-refundable.

The permit is issued to the property at this address for a period of 21 days.

Upon expiry of this permit, the prevailing watering restrictions or ban will be applicable and observed.

Should Stage 3 Restrictions be announced, the permit is no longer valid.

I, the undersigned, agree to abide by the permit conditions listed above and described further in the Maple Ridge Drinking Water Conservation Plan Amending Bylaw No. 7831-2022.
