

FIREFIGHTERS PARK

FEBRUARY 2020 – COMPLETED

Firefighters Park, is now open and ready for fun! This new neighbourhood park features a firefighter themed playground, a water play feature, a junior bike and scooter track, half basketball court, picnic areas, walking pathways and open grassed areas. Stay tuned to our social media channels for an announcement on the grand opening celebration.

JUNE 2019 – CONSTRUCTION STARTS

Construction has started at Firefighters Park, with the initial site clearing, excavations and earth moving activities taking place in the first few weeks. Construction is expected to last until late fall of 2019, based on the weather and construction activities. The City also hosted a "Hot Summer Nights" event with the Fire Department on July 18 where the public was invited to see the renderings of the final park design.

APRIL 2019 – PRICING

The City is undertaking a competitive bidding process for the construction of this new neighbourhood park. Once the bidding process is completed, a contractor will be selected to construct the park. Look for construction to start in May or June 2019.

DECEMBER 2018 - DESIGN DEVELOPMENT

After receiving the second round of public feedback on the concept plan, detailed design of the park plans has been taking place. Once the detailed design plans are finalized the City will undertake a competitive bidding process to select a contractor. Construction is expected to start in Spring 2019.

JUNE 2018 - CONCEPT PLAN

A concept plan has been developed based on the feedback we received at the previous open house and through the online comment forms.

As a part of our community consultation process we invited your feedback on the concept plans from June 21 to July 15, 2018.
