the Surrey Municipal Council in reference to the Commission asking for the repeal of certain clauses of the Municipal Act. This Council fully endorses the suggestion that the clauses referred to should be repealed and the Act so amended as to enable Municipal Councils to impose Statute Labor instead of Road Tax, also that the demand made on rural municipalities to pay for the advertising of their by laws in the official gazette is an unjust imposition and that the matter be brought before the members for the district and ask that if it be necessary to advertise by laws that it be done free of charge.

Councillor Dawson suggested that as some of the outstanding liabilities of the municipalities are due money should be borrowed to pay the same. Coun. Hanis held that the uncollected taxes are sufficient to pay all liabilities, and suggested that the collector take proceedings against those in arrears.

The discussion then dropped.
